V:

See Me, Hear me now  
I've got a long way to go  
No love left here in this town  
With no direction home

Give me truth to set me free  
I really don't mind if you lie to me  
Give me some love - I'll just give it all away  
Everybody knows I need a little peace and harmony.

V:

Find me in a dream,  
See me run baby run.  
Lose me in your sleep  
Then you go tell everyone.

There is love that lies untold  
Buried deep down in the heart of Soul  
I can't see but I'm trying to believe  
Every body needs some... Peace and Harmony.

B:

Now hold on a minute let me tell you little secret,  
I gotta fist full of spite, not too afraid to admit now.  
Give me Love, I need it Now!  
And I want you to show me how

**Don't Fight the Feeling, You gotta let love be.**

V:

Find me in a dream, See me run baby run.  
Lose me in your sleep, Then you go tell everyone.

There is love that dies untold  
Buried deep down in the heart of Soul  
I can't see but I'm trying to believe  
Everybody knows I need some peace and harmony.
