V:

Blind can lead the Blind
A punch drunk lovers game.
With your love, I'm just plain helpless
Nothing else but you're heart to blame.

Ch:

Here I am
No man's land
Hear me baby
I'll be your loving Hand

Lost by Nature
Lost by ways
Ask You Woman
I'll be your loving hand

V:

Within an minute of feeling your love
I feel giddy, with a happy kind of pain
Just losing my feet, to your crazy dance
I fall over and over again.

Ch:

Here I am
No man's land
Hear me baby
I'll be your loving Hand

Lost by Nature
Lost by ways
Ask You Woman
I'll be your loving hand
