I'm the law and baby I'm the criminal
I'm guilty of never needing, always wanting more.
A time bomb yeah it's going to get us all,
Going to get us all.

Chorus:

Got no future plans, it's all that I have,
You know that I'm good, I'm good for a laugh
Got no future plans, I'm a nowhere man,
But, you know I'm still good, good for a laugh.

Going gone, the writings on the wall,
My love, I've been waiting to long,
So long, it don't matter no more,
Don't matter no more.

Chorus:

Got no future plans, it's all that I have,
You know that I'm good, I'm good for a laugh
Got no future plans, I'm a nowhere man,
But you know I'm still good, good for a laugh.

(Guitar Solo)
