Just this One time
Hey - I don't mean everytime
You got yours and I've got mine
See the night time fall from the sky
Ain't it funny how the time fly's

Ch:
Tonight Only
For One night only.
Love don't have to mean a thing.
Tonight Only,
For one night only

You can tell me lies,
Tell me all those sweet little lies
If you never seek, you never will find.
And when you leave don't make a sound, No

Ch:

M8:
If we were to touch,
Ooh would it be
A touch to much.
Its just you and me
No one else can see

I promise you, & I promise you - Will not lie to you - Not tonight.
I got to get you, I got to get you, Love Don't got to mean a thing, No No NO NO.
