You can stand me up to the firing line,  
Throw my feet to the fire  
Tell me straight - There ain't no way  
But I'm gonna get to you - One of these days

Last call for a miracle,  
One more before this night is through

## Ch:

When water turns to wine  
Your love will be mine. X 2

## V:

Watch me shake, the magic hand of chance  
Cross my fingers, Well I hope to dance  
In marching time, see it marching on  
Wears me numb, when she don't come

What the wise man doubts - the fool believes  
So who does love deceive?

## Ch:

## Solo:

## V:

You can push me off a sinking ship  
n' take a wing just to bust my lip  
Bury my bones, spit on my grave  
Just I'm gonna get to you, one of these days.

## When Water... Chorus

## Chorus x 3 outro
